PROFILE

Creative and detail-oriented Multimedia Designer with a strong passion for visual storytelling and digital content creation. Proven ability to enhance brand visibility and engage audiences through innovative design solutions. Eager to leverage my skills in web design, video editing, and graphic design to contribute to dynamic projects in a collaborative environment.

PROFESSIONAL EXPERIENCE

Digital Marketing & UX/UI Designer Fansci Solutions (Startup)

2025 – Present

- Designed and iterated on UX/UI concepts for web and product interfaces, from wireframes to high-fidelity prototypes, in a fast-moving startup environment.
- Planned and executed digital marketing initiatives, including social media content, email campaigns, and brand assets, to grow audience engagement and visibility.
- Collaborated closely with founders and cross-functional teammates to align design and marketing efforts with product and business goals.
- Applied user research and feedback to refine interfaces and marketing messaging, improving usability and audience response.

Co-op Student – Green Loop Club (Environmental Sustainability & Marketing)

2025

Algonquin College, Ottawa, ON

- Led donation drives and awareness campaigns, increasing the collection of reusable lanyards by 35% through community engagement.
- Developed and executed social media strategies that enhanced club visibility and promoted sustainability initiatives across campus.
- Collaborated with event organizers and local businesses to implement waste reduction practices and promote reusable product rentals.
- Organized community events supporting environmental stewardship, while monitoring project progress and providing detailed reports.

Multimedia Designer (Freelance & Part-Time) Genesys Tech Hub, Enugu, Nigeria

2024 – Present

- Designed social media posts and banners, boosting Instagram engagement by 30%.
- Edited TikTok videos and Facebook reels, increasing views by 40%.
- Fixed HTML & CSS errors on the WordPress site, growing traffic to over 400 monthly visitors.
- Created content plans for social media, achieving a 25% follower growth and 10,000+ followers.

INTERESTS

- I love cooking and anything artistic like drawing.
- I love sight seeing and reading books.
- I love singing and listening to music.

- I love exploring new things and testing my creativity levels.
